Specifically failed to comply with the following:

- s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**
- (a) **the planned care for the resident; 2007, c. 8, s. 6 (1).**
- (b) **the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).**
- (c) **clear directions to staff and others who provide direct care to the resident.**
- 2007, c. 8, s. 6 (1).**
-

Findings/Faits saillants :

1. The Licensee has failed to ensure the plan of care set out gives clear direction to staff and other who provide care to a resident.

A Care plan that was reviewed referenced specific medications as interventions for a resident which according to the physician's orders had been discontinued.

Staff interview with a member of the registered staff confirmed these medications are not currently prescribed for this resident according to the Electronic Medication Record.

2. Behaviours identified in a resident's chart were not identified on a resident's care plan with subsequent, appropriate interventions to address these behaviours.

This was verified by the Director of Care. [s. 6. (1) (c)]
