**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.
Plan of care**

Specifically failed to comply with the following:

**s. 6. (7) The licensee shall ensure that the care set out in the plan of care is
provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).**

Findings/Faits saillants :

1. The licensee has failed to ensure that the care set out in the plan of care for one
resident related to rest periods was provided to the resident as specified in the plan.

The care plan for one identified resident included specific directions for rest periods.

On one identified date, the resident was observed in two separate locations in the home
at the time their care plan identified for rest periods.

One Personal Support Worker (PSW) told the inspector they were aware of the residents'
rest periods and that PSW's did not have time to do this at the time the care plan
directed.

The Director of Care (DOC) said that the care plan for the resident was not followed and
that the resident should have had their rest period. [s. 6. (7)]

to the resident as specified in the plan, to be implemented voluntarily.***
