Plan of care

s. 6 (10) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when,
(b) the resident's care needs change or care set out in the plan is no longer necessary; or

The licensee failed to ensure that the plan of care was reassessed and reviewed for a resident when their needs changed or care set out in their plan was no longer necessary.

The written plan of care for a resident was not updated to indicate their current status relevant to an aspect of care.
