Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.) The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care

Specifically failed to comply with the following subsections:

s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,
(a) the planned care for the resident;
(b) the goals the care is intended to achieve; and
(c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).

Findings/Faits saillants :

1. The plan of care for an identified resident does not give clear direction to staff and others who provide direct care to the resident.

In 2011, the resident was moved to another room in the home. At the time of this relocation the resident had also agreed to a number of changes to be implemented related to the provision of care.

On April 21, 2011, the document that is referred to as the resident's care plan did not give direction to staff regarding the recently revised changes implemented to meet the resident's care needs and was still reflective of discontinued care interventions. Clear direction is not provided in the care plan regarding how the staff are to meet the resident's needs for activity of daily living, specifically dressing and personal hygiene.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance , to be implemented voluntarily.

WN #2: The Licensee has failed to comply with O.Reg 79/10, s. 30. General requirements

Specifically failed to comply with the following subsections:

s. 30. (2) The licensee shall ensure that any actions taken with respect to a resident under a program, including assessments, reassessments, interventions and the resident's responses to interventions are documented. O. Reg. 79/10, s. 30 (2).

Findings/Faits saillants :

1. In 2011, an identified resident, began a trial of sleeping in a different location and using a specific lift for specified transfers.

During an interview with the Director of Nursing on April 21, 2011, it was confirmed that this change in the resident's plan of care was a trial to determine if these modifications to the resident plan of care would meet the needs of the resident, as well as, allow staff to provide the necessary care to the resident safely.

Since the time that the trial began in 2011, there is no documentation to reflect the resident's or the staff's response to the interventions implemented.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance , to be implemented voluntarily.
