The purpose of this inspection was to conduct a Critical Incident System inspection.

This inspection was conducted on the following date(s): December 12, 2012

During the course of the inspection, the inspector(s) spoke with the Administrator, the Director of Care, 3 Personal Support Workers and 2 Registered Staff.

During the course of the inspection, the inspector(s) reviewed the resident record, toured the home, observed resident care and reviewed policies and procedures.

**The following Inspection Protocols were used during this inspection:
Personal Support Services**

Prevention of Abuse, Neglect and Retaliation

Findings of Non-Compliance were found during this inspection.

NON-COMPLIANCE / NON - RESPECT DES EXIGENCES

**Rapport d'inspection sous la
Loi de 2007 sur les foyers de
soins de longue durée**

Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.)

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 24. 24-hour admission care plan

Specifically failed to comply with the following:

s. 24. (4) The licensee shall ensure that the care set out in the care plan is based on an assessment of the resident and the needs and preferences of that resident and on the assessment, reassessments and information provided by the placement co-ordinator under section 44 of the Act. O. Reg. 79/10, s. 24 (4).

Findings/Faits saillants :

A specified resident's admission documents included an assessment that indicated a specific level of assistance required by the resident. The 24 hour care plan developed by the home gave direction for a different level of assistance, which was not reflective of the care that the resident required.

This was confirmed by the DOC. [s. 24. (4)]
