**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 98. Every licensee of a long-term care home shall ensure that the appropriate police force is immediately notified of any alleged, suspected or witnessed incident of abuse or neglect of a resident that the licensee suspects may constitute a criminal offence. O. Reg. 79/10, s. 98.**

**Findings/Faits saillants :**

1. The licensee failed to ensure that the appropriate police force was immediately notified of any alleged, suspected, or witnessed incident of abuse or neglect of a resident that the licensee suspects may constitute a criminal offense, specifically related to theft.

The home received reported incidents of money theft. The home did conduct an internal investigation but did not notify the appropriate police force, as per the home's Resident Abuse policy and the legislative requirements.

The Director of Resident Care confirmed the appropriate police force was not immediately notified of any alleged, suspected, or witnessed incident of abuse or neglect of a resident that the licensee suspects may constitute a criminal offense, as well as the expectation that the police should have been notified.
