The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): November 15, 2013

This follow up inspection was related to the provision of a back up power supply. An on site generator has been installed with the capacity to run all things that are specified under the Long Term Care Homes legislation.

During the course of the inspection, the inspector(s) spoke with the Administrator, the Director of Care, several staff and residents.

During the course of the inspection, the inspector(s) reviewed documentation related to the back up power supply; observed the on site generator and connections.

**The following Inspection Protocols were used during this inspection:
