WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care**Specifically failed to comply with the following:**

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

1. The licensee has failed to ensure that the bed mobility and toileting interventions set out in a resident's plan of care was provided to the resident as specified in the plan.

Review of a specific resident's plan of care showed specific interventions to be used when providing certain activity of daily living (ADL).

On a certain date one Personal Support Worker (PSW) initiated providing care to the resident without implementing the specific interventions in the plan of care.

In an interview Director of Care (DOC) said that the resident required those specific interventions while receiving care. DOC said that the care set out in the resident's plan of care was not provided to the resident.
