Findings/Faits saillants :

**Inspection Report under

Homes Act, 2007****Rapport d'inspection en vertu de
la Loi de 2007 sur les foyers de
soins de longue durée**

1. The licensee has failed to ensure that when withholding approval for admission, the licensee shall give to persons described in subsection (10) a written notice setting out, the ground or grounds on which the licensee is withholding approval; a detailed explanation of the supporting facts, as they relate both to the home and to the applicant's condition and requirements for care; an explanation of how the supporting facts justify the decision to withhold approval. 2007, c. 8, s. 44 (9).

A complaint was submitted to the Director by the Central East Local Health Integration Network (LHIN). The complaint pertained to withholding approval for admission to Extendicare Cobourg for applicant #001.

The LIHN Senior Management Placement Care Coordinator was unavailable for an interview when contacted by inspector #461.

Inspector #461 reviewed the refusal letter from the Director of Care (DOC) to applicant #001. The refusal letter indicated that approval to the LTCH was withheld related to the home's lack of physical facilities to meet the applicant's care requirements.

During separate interviews with the administrator and the DOC, they acknowledged that the letter did not include sufficient detail as required, for withholding an approval for admission.

The letter did not provide a detailed explanation of the supporting facts, as they related both to the home and to the applicant's condition and requirements for care, as well as an explanation of how the supporting facts justify the decision to withhold approval. [s. 44. (9)]
