1. The licensee has failed to comply with O. Reg 79/10 s. 33 (1) whereby residents are not being bathed at a minimum of twice weekly by the method of their choice.

The bathing documentation records for Residents #1, #2, #3 and #4 were reviewed for an identified number of months.

All of the residents reviewed had failed to receive twice weekly baths for identified weeks.

In addition, Resident #2 and #4 had received a bed bath on identified dates which was not the resident's preferred method of bathing. [s. 33. (1)]

During an interview with Resident #1 and #4, he/she confirmed he/she does not always receive a twice weekly bath as a result of short staffing, but believes the home is working to solve the problem and that the situation has recently improved. [s. 33. (1)]
