WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 229. Infection prevention and control program

Specifically failed to comply with the following:

s. 229. (4) The licensee shall ensure that all staff participate in the implementation of the program. O. Reg. 79/10, s. 229 (4).

Findings/Faits saillants :

1. The licensee has failed to ensure that staff participated in the implementation of the infection prevention and control program, specifically related to the hand hygiene program.

During the inspection, the Inspector observed multiple staff members not adhering to the Infection Prevention and Control (IPAC) Program. The Inspector's observations included the improper use of Personal Protective Equipment (PPE), and hand hygiene not being completed at proper intervals. The Inspector did not observe hand hygiene being offered to residents prior to the lunch meal service.

In an interview with the Administrator/Director of Care (DOC), they indicated that it was the expectation that staff participated in the infection control program within the home, including hand hygiene and based on the observations, staff were not fully participating in the infection control program.

Sources: Inspector's observations; interview with Administrator/DOC, and other staff; licensee's policy titled "Hand Hygiene", #IC-02-01-08, last reviewed October 2020. [s. 229. (4)]

Additional Required Actions:

CO # - 001 will be served on the licensee. Refer to the "Order(s) of the Inspector".

WN #2: The Licensee has failed to comply with O.Reg 79/10, s. 107. Reports re critical incidents

Specifically failed to comply with the following:

s. 107. (1) Every licensee of a long-term care home shall ensure that the Director is immediately informed, in as much detail as is possible in the circumstances, of each of the following incidents in the home, followed by the report required under subsection (4):

5. An outbreak of a disease of public health significance or communicable disease as defined in the Health Protection and Promotion Act.

Findings/Faits saillants :

1. The licensee has failed to ensure that the Director was immediately informed of a COVID-19 outbreak in the home.

A Critical Incident (CI) report was submitted to the Director, which indicated that on the day prior, the Public Health Unit had declared an outbreak in the home. In an interview with the Administrator/DOC, they indicated that outbreaks were to be reported to the Director immediately.

Sources: Inspector's observations January 26, 2021; interview with Administrator/DOC, and other staff; licensee's policy titled "Hand Hygiene", #IC-02-01-08, last reviewed October 2020.

An order was made by taking the following factors into account:

Severity: Actual risk was identified in the home related to risk of disease transmission.

Scope: The scope of this non-compliance was widespread because of the identified concerns in all home areas, related to IPAC and hand hygiene.

Compliance History: Two Voluntary Plans of Correction (VPCs) and five Written Notifications (WNs) were issued to the home related to different sub-sections of the legislation in the past 36 months.
