WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 82. Attending physician or RN (EC)

Specifically failed to comply with the following:

- s. 82. (1) Every licensee of a long-term care home shall ensure that either a physician or a registered nurse in the extended class,**
(a) conducts a physical examination of each resident upon admission and an annual physical examination annually thereafter, and produces a written report of the findings of the examination; O. Reg. 79/10, s. 82 (1).
(b) attends regularly at the home to provide services, including assessments; and O. Reg. 79/10, s. 82 (1).
(c) participates in the provision of after-hours coverage and on-call coverage.
O. Reg. 79/10, s. 82 (1).
-

Findings/Faits saillants :

1. The licensee failed to ensure compliance with O. Reg 79/10, s. 82. (1) (a) in that either a physician or a registered nurse in the extended class (RNEC) conducts a physical examination of each resident upon admission and produces a written report of the findings of the examination.

Resident #1 was admitted to the home on a specified day in December, 2013. There is no documentation to support that a physician or RNEC completed a physical examination upon admission and produced a written report of the findings.

On a specified day in January, 2014, the Assistant Director of Care (ADOC) confirmed that the physician completes a physical examination upon admission using a standardized form. She reviewed Resident #1's chart and confirmed that the form was not present.

As such the licensee did not ensure that Resident #1 received a physical examination upon admission. [s. 82. (1) (a)]
