s. 102 (2) (b)**

NC #002 Written Notification pursuant to FLTCA, 2021, s. 154 (1) 1.

Non-compliance with: O. Reg. 246/22, s. 102 (2) (b)

Infection prevention and control program

s. 102 (2) The licensee shall implement,

(b) any standard or protocol issued by the Director with respect to infection prevention and control. O. Reg. 246/22, s. 102 (2).

The licensee failed to ensure that the Infection Prevention and Control (IPAC) Standard for Long-Term Care Homes was implemented. The IPAC Standard required under section 10.2 that the hand hygiene program was to include hand hygiene support for residents, specifically (c) assistance to residents to perform hand hygiene before meals.

In observations of meal service, it was noted that residents were not provided assistance or supported to perform hand hygiene before their meal.

Staff members were aware of the home's policy to provide hand hygiene to resident's prior to meals, however, it is acknowledged by staff members that this practice was not regularly being completed.
