WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 27. Care conference

Specifically failed to comply with the following:

s. 27. (1) Every licensee of a long-term care home shall ensure that,
(a) a care conference of the interdisciplinary team providing a resident's care is held within six weeks following the resident's admission and at least annually after that to discuss the plan of care and any other matters of importance to the resident and his or her substitute decision-maker, if any; O. Reg. 79/10, s. 27 (1).
(b) the resident, the resident's substitute decision-maker, if any, and any person that either of them may direct are given an opportunity to participate fully in the conferences; and O. Reg. 79/10, s. 27 (1).
(c) a record is kept of the date, the participants and the results of the conferences. O. Reg. 79/10, s. 27 (1).

Findings/Faits saillants :

1. The licensee has failed to ensure that a care conference of the interdisciplinary team providing a resident's care was held within six weeks following the resident's admission and at least annually after that to discuss the plan of care and any other matters of importance to the resident and his or her substitute decision-maker.

The record review and 24 hour Interim Assessment review indicated that an identified resident #001 was admitted to the home on an identified date. Record review further indicated that there was no documentation or record of the care conference.

The Clinical Coordinator #101 reported that it was the responsibility of the Pastoral Care staff to book the care conference, however, Pastoral Care staff were on a leave of absence during that time and the care conference was missed. The Clinical Coordinator confirmed that there was no documentation to confirm that the care conference was booked and acknowledged that it did not take place for the resident within the six weeks following resident's admission.
