The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): February 7, 2017

An inspection (2015-258519-0010) was previously conducted February 18 to March 2, 2015 at which time non-compliance was identified related to inadequate illumination levels in resident bedrooms and corridors on the second and third floors. An order (#005) was issued on June 10, 2015 with a compliance date of December 31, 2016. For this follow-up visit, the order has been complied with.

During the course of the inspection, the inspector(s) spoke with the Executive Director regarding illumination levels on the second and third floors and the main foyer and corridor leading to the large activity room.

During the course of the inspection, the inspector took illumination measurements in a corridor on the third floor and in one private, semi-private and 4-bed bedroom.

**The following Inspection Protocols were used during this inspection:
Safe and Secure Home**

During the course of this inspection, Non-Compliances were not issued.
