WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 186. Duty to inform placement co-ordinator of vacancies

Every licensee of a long-term care home shall, within 24 hours after a bed in the home is no longer occupied, inform the appropriate placement co-ordinator of the following:

- 1. That the bed is no longer occupied.**
- 2. The class of accommodation of the bed.**
- 3. The class of the bed within the meaning of subsection 187 (18) of the Act.**
- 4. The date on which the bed will be available for occupation. O. Reg. 106/12, s. 1.**

Findings/Faits saillants :

1. The licensee failed to ensure that within 24 hours after a bed in the home was no longer occupied, they informed the appropriate placement co-ordinator: that the bed was no longer occupied; the class of accommodation of the bed; the class of the bed; and the date on which the bed would be available for occupation.

The home formally communicated to the HNHB LHIN all bed vacancies in writing. Bed vacancy documents provided to the HNHB LHIN by the home were reviewed for three beds currently available.

The document required the home to identify when the bed was no longer occupied, the class of accommodation of the bed, the class of the bed and when the bed would be available to be occupied.

All three documents were not provided to the LHIN within 24 hours of the bed vacancies. The information was not reported in the time frame as required.
