Specifically failed to comply with the following subsections:

- s. 72. (7) The licensee shall ensure that the home has and that the staff of the home comply with,
(a) policies and procedures for the safe operation and cleaning of equipment related to the food production system and dining and snack service;
(b) a cleaning schedule for all the equipment; and
(c) a cleaning schedule for the food production, servery and dishwashing areas. O. Reg. 79/10, s. 72 (7).

Findings/Faits saillants :

1. Previously issued as a CO in November 2011.

The licensee failed to ensure that the home has a cleaning schedule for the ice machine and that the staff of the home comply with the cleaning schedule. [O. Reg. 79/10, s. 72 (7)]

a) It is noted that the home has a cleaning schedule for the ice machine. The previously submitted compliance plan and a record attached to the side of the ice machine indicate that this piece of equipment is to be cleaned monthly. Interview with the Food Services Supervisor indicates that the dietary staff are to initiate the cleaning of the ice machine monthly, and that maintenance is required to assist as the ice machine has to be taken apart for cleaning and sanitizing quarterly. The home does not have a procedure related to cleaning of the ice machine and offered a copy of the manufacturers instructions.

b) The Ice Machine Cleaning 2012 record, attached to the side of the ice machine indicates that the ice machine is to be cleaned once each month. There is a signature for April 25, 2012, but no signatures for January, February or March.

c) The Food Services Supervisor indicated that she is responsible for auditing the completion of cleaning of the ice machine, but there is no recorded audit and cleaning of the ice machine has not been signed off as completed from January to March 2012.

d) Interview with maintenance person indicates that the ice machine is to be cleaned by maintenance quarterly. The maintenance person was unable to provide records that the ice machine had been cleaned quarterly as per the compliance plan.

e) The ice machine was not cleaned monthly as per the compliance plan and the expectation identified on the recording form attached to the ice machine.
