**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 15. Accommodation services  
Specifically failed to comply with the following subsections:**

- s. 15. (2) Every licensee of a long-term care home shall ensure that,**  
**(a) the home, furnishings and equipment are kept clean and sanitary;**  
**(b) each resident's linen and personal clothing is collected, sorted, cleaned and delivered; and**  
**(c) the home, furnishings and equipment are maintained in a safe condition and in a good state of repair. 2007, c. 8, s. 15 (2).**

**Findings/Faits sayants :**

1. In the main kitchen there are two 3 tiered blue metal carts. The surface of each tier is rusted. It is reported to the inspector that these carts are only used within the dishwashing area. These carts were identified as an area of concern on a March 19, 20, 2009 inspection report by Long Term Care Homes Inspector Jessica Lapensee. The home submitted a compliance plan in response to this issue, indicating that " blue metal carts will be sanded and re-painted by our maintenance person on the first week of march 30, 2009, for an immediate repair. In the meantime, we have begun to research appropriate replacement carts and expect to have new carts by June 1st of 2009".

The Administrator reports that the two blue metal carts have been sanded and repainted several times and that she is aware of the current condition of the carts.
