Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.
The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care**

**Specifically failed to comply with the following subsections:**

- s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**  
**(a) the planned care for the resident;**  
**(b) the goals the care is intended to achieve; and**  
**(c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).**

**Findings/Faits saillants :**

1. A plan of care found in Point Click Care, and in the resident flow book does not set out clear directions to staff and others who provide direct care to a resident related to a recent diagnosis.

Documentation related to a nutritional referral indicates that an update to a resident's plan of care was completed related to a new diet order. However during review of the plan of care this diet change is not reflected on the current plan.
