1. The licensee has failed to ensure that when withholding approval for admission to the home, there was a written notice setting out: the ground or grounds for withholding approval; a detailed explanation of the supporting facts, as they related to both the home and the applicant's condition and requirements for care; an explanation of how the supporting facts justified the decision to withhold approval and contact information for the Director.

Applicant #001 was living in the community. The family had requested long-term care home placement related to concerns regarding declining health.

The licensee withheld approval for admission and sent a refusal letter to the applicant.

The letter did not include the ground or grounds on which the licensee was withholding approval.

The letter did not include a detailed explanation of supporting facts as they related to the grounds for refusal as specified in the Act s.44(7) that either the home lacks the physical facilities to meet the applicant's care requirements or the home lacks the nursing expertise necessary to meet the applicant's care requirements.

The letter did not include an explanation of how the supporting facts justified the decision to withhold approval.

The letter did not include contact information for the Director.

In an interview, the Regional Director #101 acknowledged that the letter did not include the required information in accordance with the legislation. [s. 44. (9)]
