Findings/Faits saillants :

1. The licensee failed to ensure that the policy related to Administering Routine Medications was complied with.

Record review revealed Resident #01 was identified to have a change in condition as a result of a medication given to the Resident.

A review of the physician orders and electronic medication administration record revealed Resident #01 was not prescribed the medication given.

Interview and record review revealed the medication was given to the wrong resident.

A review of the homes Policy #4.2 Administering Routine Medication - Revised July 2014, indicated that the nurse is to follow the residents medication administration record and ensure the eight rights of medication administration are verified before the medication was administered.

An interview with the Director of Care confirmed it was the homes expectation that the nurse verify the residents identity through the photograph, identification band and the electronic medication administration record prior to administering medication to the resident.

The licensee failed to ensure that the administering routine medication policy was complied with. [s. 8. (1) (b)]

Additional Required Actions:

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)
the licensee is hereby requested to prepare a written plan of correction for
achieving compliance to ensure that the policy related to Administering Routine
Medications is complied with, to be implemented voluntarily.***
