WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 76. Training

Specifically failed to comply with the following:

s. 76. (7) Every licensee shall ensure that all staff who provide direct care to residents receive, as a condition of continuing to have contact with residents, training in the areas set out in the following paragraphs, at times or at intervals provided for in the regulations:

1. Abuse recognition and prevention. 2007, c. 8, s. 76. (7).
2. Mental health issues, including caring for persons with dementia. 2007, c. 8, s. 76. (7).
3. Behaviour management. 2007, c. 8, s. 76. (7).
4. How to minimize the restraining of residents and, where restraining is necessary, how to do so in accordance with this Act and the regulations. 2007, c. 8, s. 76. (7).
5. Palliative care. 2007, c. 8, s. 76. (7).
6. Any other areas provided for in the regulations. 2007, c. 8, s. 76. (7).

Findings/Faits saillants :

1. The licensee has failed to ensure that all staff who provide direct care to residents, as a condition of continuing to have contact with residents, receive training in behaviour management annually as per O.Reg. 79/10, s. 219(1).

Staff interviews and record review confirm that less than 50 percent of staff who provide direct care to residents received training in behaviour management in 2012 and 2013. [s. 76. (7) 3.]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that all staff who provide direct care to residents, as a condition of continuing to have contact with residents, receive training in behaviour management annually as per O.Reg. 79/10, s. 219(1), to be implemented voluntarily.

**WN #2: The Licensee has failed to comply with O.Reg 79/10, s. 148.
Requirements on licensee before discharging a resident**

**Ministry of Health and
Long-Term Care**

**Ministère de la Santé et des
Soins de longue durée**

**Inspection Report under
the Long-Term Care
Homes Act, 2007**

**Rapport d'inspection sous la
Loi de 2007 sur les foyers de
soins de longue durée**

Specifically failed to comply with the following:

s. 148. (2) Before discharging a resident under subsection 145 (1), the licensee shall,

(a) ensure that alternatives to discharge have been considered and, where appropriate, tried; O. Reg. 79/10, s. 148 (2).

(b) in collaboration with the appropriate placement co-ordinator and other health service organizations, make alternative arrangements for the accommodation, care and secure environment required by the resident; O. Reg. 79/10, s. 148 (2).

(c) ensure the resident and the resident's substitute decision-maker, if any, and any person either of them may direct is kept informed and given an opportunity to participate in the discharge planning and that his or her wishes are taken into consideration; and O. Reg. 79/10, s. 148 (2).

(d) provide a written notice to the resident, the resident's substitute decision-maker, if any, and any person either of them may direct, setting out a detailed explanation of the supporting facts, as they relate both to the home and to the resident's condition and requirements for care, that justify the licensee's decision to discharge the resident. O. Reg. 79/10, s. 148 (2).

Findings/Faits saillants :

1. The licensee has failed to ensure that before discharging resident #1 under subsection 145 (1) (the resident's requirements for care have changed and as a result, the home cannot provide a sufficiently secure environment to ensure the safety of the resident of the safety of persons who come into contact with the resident), alternative arrangements were made for the accommodation, care and secure environment required by the resident.

Record review, staff interviews and family interview confirm that resident # 1 was discharged from the home on an identified date, under section 145(1) of O.Reg. 79/10 of the Long Term Care Homes Act. The reason provided to the resident's power of attorney (POA) for the discharge was that the home was no longer able to provide a safe and secure environment for resident # 1, the co-residents, and the staff of the home. Resident # 1 was in police custody at the time of discharge, having been arrested on an identified date, 2014 for assaulting a staff member.

Resident # 1 had a long standing identified addiction. When intoxicated, the resident would frequently become aggressive towards staff and on occasion towards other residents. Before the resident's arrest the home had been working with the resident's POA in an attempt to arrange more suitable accommodations for the resident, however no accommodations had been arranged at the time of the resident's discharge from the home. [s. 148. (2)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that before discharging a resident under subsection 145 (1) (the resident's requirements for care have changed and as a result, the home cannot provide a sufficiently secure environment to ensure the safety of the resident of the safety of persons who come into contact with the resident), alternative arrangements are made for the accommodation, care and secure environment required by the resident, to be implemented voluntarily.

WN #3: The Licensee has failed to comply with O.Reg 79/10, s. 53. Responsive behaviours

Specifically failed to comply with the following:

s. 53. (3) The licensee shall ensure that,

(a) the matters referred to in subsection (1) are developed and implemented in accordance with evidence-based practices and, if there are none, in accordance with prevailing practices; O. Reg. 79/10, s. 53 (3).

(b) at least annually, the matters referred to in subsection (1) are evaluated and updated in accordance with evidence-based practices and, if there are none, in accordance with prevailing practices; and O. Reg. 79/10, s. 53 (3).

(c) a written record is kept relating to each evaluation under clause (b) that includes the date of the evaluation, the names of the persons who participated in the evaluation, a summary of the changes made and the date that those changes were implemented. O. Reg. 79/10, s. 53 (3).

Findings/Faits saillants :

1. The licensee has failed to ensure that a written record is kept relating to each annual evaluation of the responsive behaviours program, that includes the date of the evaluation, the names of the persons who participated in the evaluation, a summary of the changes made and the date that those changes were implemented.

The home's Director of Care was unable to provide the inspector with a record of an evaluation of the home's responsive behaviours program which included the date of the evaluation, the names of the persons who participated in the evaluation, a summary of the changes made and the date that those changes were implemented.
