Plan of care

s. 6 (10) The licensee shall ensure that the resident is reassessed, and the plan of care reviewed and revised at least every six months and at any other time when, (b) the resident's care needs change or care set out in the plan is no longer necessary; or

The licensee failed to ensure that a resident was reassessed, and their plan of care was revised when their care needs changed. Two staff acknowledged that a resident's care needs changed and that they did not advise the appropriate registered staff so that the resident could be reassessed. The appropriate registered staff acknowledged that there was a safety concern, the resident should have been reassessed, and the plan of care revised.
