**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care**

Specifically failed to comply with the following subsections:

**s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**

- (a) the planned care for the resident;
  - (b) the goals the care is intended to achieve; and
  - (c) clear directions to staff and others who provide direct care to the resident.
- 2007, c. 8, s. 6 (1).

**Findings/Faits sayants :**

1. 14:30

Reviewed "Personal Resident Care: Foot/Toenail Care" policy.

The plan of care does not set out clear directions to staff related to providing foot/toenail care. Due to diagnosis/history, the resident is determined to be at risk for foot/toenail problems. This is not documented in the plan of care nor the frequency of which the registered staff will inspect the feet or provide foot/toenail care.
