(A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.) The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 3. Residents' Bill of Rights

Specifically failed to comply with the following:

s. 3. (1) Every licensee of a long-term care home shall ensure that the following rights of residents are fully respected and promoted:
11. Every resident has the right to,
i. participate fully in the development, implementation, review and revision of his or her plan of care,
ii. give or refuse consent to any treatment, care or services for which his or her consent is required by law and to be informed of the consequences of giving or refusing consent,
iii. participate fully in making any decision concerning any aspect of his or her care, including any decision concerning his or her admission, discharge or transfer to or from a long-term care home or a secure unit and to obtain an independent opinion with regard to any of those matters, and
iv. have his or her personal health information within the meaning of the Personal Health Information Protection Act, 2004 kept confidential in accordance with that Act, and to have access to his or her records of personal health information, including his or her plan of care, in accordance with that Act. 2007, c. 8, s. 3 (1).

Findings/Faits saillants :

1. The Licensee has failed to fully respect and promote the resident's right to have personal health information kept confidential.

Review of progress notes for a resident, revealed an entry from a physician whereby the physician apologized for sharing medical issues in a public area.

Interview with the Coordinator of Resident Care confirmed a physician should not be discussing personal health information with a resident, where other residents/ staff are present. [s. 3. (1) 11. iv.]
