1. The licensee failed to ensure that Resident #1 was protected from financial abuse by staff in the home.

- The licensee reported suspicion of financial abuse between a staff member of the home and Resident #1 to the Director. The home conducted an internal investigation which revealed that a staff member had Resident #1's bank card and personal information number (PIN) in his/her possession. On more than one occasion the staff member accessed Resident #1's bank account. The home's investigation confirmed that on one occasion the staff member withdrew a specified amount of funds. As per the home's investigation the Power of Attorney for finances did not authorize the staff member to access the resident's bank account.

- An interview with a staff member confirmed they had knowledge of the identified staff member purchasing items for Resident #1. This was not reported to the home or to the Director. The Registered staff member was terminated [s. 19. (1)].

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that all residents are protected from financial abuse, to be implemented voluntarily.
