**The purpose of this inspection was to conduct a Complaint inspection.**

**This inspection was conducted on the following date(s): October 28, 2015**

**During the course of the inspection, the inspector(s) spoke with the Administrator, Food Services Supervisor and maintenance person regarding the home's pest control program and maintenance/housekeeping services.**

**At the time of inspection, the Inspector toured the kitchen, main foyer, public washroom and 1st floor dining room, reviewed the licensee's pest control policies and procedures, pest control service reports, maintenance procedures and Public Health Inspection reports. No sightings of pests were noted in the areas toured at the time of the visit and confirmation made that actions and interventions taken to date were applicable and effective and monitoring was on-going.**

**The following Inspection Protocols were used during this inspection:**  
**Accommodation Services - Housekeeping**  
**Accommodation Services - Maintenance**

**During the course of this inspection, Non-Compliances were issued.**

---

**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 90. Maintenance services**

**Specifically failed to comply with the following:**

**s. 90. (1) As part of the organized program of maintenance services under clause 15 (1) (c) of the Act, every licensee of a long-term care home shall ensure that, (b) there are schedules and procedures in place for routine, preventive and remedial maintenance. O. Reg. 79/10, s. 90 (1).**

**Findings/Faits saillants :**

1. The licensee did not ensure that schedules and procedures were in place for routine and preventive maintenance related to floor drains in the home.

A review of the licensee's maintenance manual was completed with the Director of Resident Services and a policy (including a procedure and schedule of monitoring and cleaning) was not developed for the maintenance of floor drains in the home. During an inspection of the kitchen on October 28, 2015, the floor drain in the dried goods storage room, dish wash room and drains in the main kitchen were observed to be full of debris. According to the maintenance person, he did not have a schedule established for drain cleaning and did not recall when they were last cleaned or inspected for condition. [s. 90(1)(b)]
