INSPECTION RESULTS

WRITTEN NOTIFICATION: Reporting Certain Matters to Director

NC #001 Written Notification pursuant to FLTCA, 2021, s. 154 (1) 1.

Non-compliance with: FLTCA, 2021, s. 28 (1) 2.

The licensee has failed to ensure that the Director was immediately informed of an incident of suspected staff to resident abuse.

Rationale and Summary:

On a day in January 2023, a staff member suspected that another staff member had abused a resident. The staff member that witnessed the suspected abuse reported their concerns to their supervisor the following day, and the incident was not reported to the Director until two business days later.

By not reporting the incident of suspected abuse to the Director immediately, the Director was unable to respond immediately.

Sources: Critical Incident Report, review of the home's investigation notes, and interviews with staff members.

WRITTEN NOTIFICATION: Residents' Bill of Rights

NC #002 Written Notification pursuant to FLTCA, 2021, s. 154 (1) 1.

Non-compliance with: FLTCA, 2021, s. 3 (1) 1.

The licensee has failed to ensure that a resident's rights were fully respected and promoted when they were not treated with courtesy and respect by a staff member.

Rationale and Summary:

On a day in January 2023, one staff member witnessed another staff member grab a resident by their arm, attempting to have the resident sit down. When the resident resisted, the staff member acted inappropriately, causing the resident to yell and spill their beverage onto the floor.

Failing to ensure that the resident's rights were fully respected and promoted and that they were treated with courtesy and respect could have had a negative impact on the resident.
