Inspection Summary/Résumé de l'inspection

The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): August 15, 2013

On February 21, 2013, Order #001 was issued after conducting a complaint inspection related to the home's resident-staff communication and response system. For this follow-up visit, the licensee has met the requirements laid out in the Order and it has been cleared. On January 22, 2013, a follow-up visit was conducted to determine if Order #001 had been addressed related to the home's bed safety program. The Order remained outstanding and was issued on February 21, 2013 with additional requirements. For this follow-up visit, the licensee has met the requirements of the Order and it has been cleared.

During the course of the inspection, the inspector(s) spoke with the administrator, director of care, registered and unregistered staff.

During the course of the inspection, the inspector(s) toured the building and observed beds in random rooms, tested the resident-staff communication and response system and associated staff pagers, reviewed policies and procedures, staff training material, minutes of meetings and audits for both bed safety and the resident-staff communication and response system.

The following Inspection Protocols were used during this inspection:
