**The purpose of this inspection was to conduct a Follow up inspection.**

**This inspection was conducted on the following date(s): April 16, 2015**

**The inspection was in follow up to a Compliance Order (CO #001) issued as a result of follow up inspection #2015\_346133\_0001, conducted in January 2015. The CO is related to resident accessible doors that lead to non-residential areas. Over the course of the inspection, the inspector observed all such doors to be kept closed and locked when not supervised. The CO is therefore complied as a result of this follow up inspection.**

**During the follow up inspection, the inspector also noted that the home's main exit door, in the Houses building, is now locked at all times. This pertains to a second Compliance Order (#002), issued as a result of follow up inspection #2015\_346133\_0001, conducted in January 2015. The CO is also related to door alarms, and is not due until June 8th, 2015. A follow up inspection for CO #002 will occur following the compliance date.**

**During the course of the inspection, the inspector(s) spoke with the acting Administrator, the Facilities Supervisor, registered and non-registered nursing staff**

**The following Inspection Protocols were used during this inspection:
