**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 17.
Communication and response system**

Specifically failed to comply with the following:

s. 17. (1) Every licensee of a long-term care home shall ensure that the home is equipped with a resident-staff communication and response system that,
(a) can be easily seen, accessed and used by residents, staff and visitors at all times; O. Reg. 79/10, s. 17 (1).
(b) is on at all times; O. Reg. 79/10, s. 17 (1).
(c) allows calls to be cancelled only at the point of activation; O. Reg. 79/10, s. 17 (1).
(d) is available at each bed, toilet, bath and shower location used by residents; O. Reg. 79/10, s. 17 (1).
(e) is available in every area accessible by residents; O. Reg. 79/10, s. 17 (1).
(f) clearly indicates when activated where the signal is coming from; and O. Reg. 79/10, s. 17 (1).
(g) in the case of a system that uses sound to alert staff, is properly calibrated so that the level of sound is audible to staff. O. Reg. 79/10, s. 17 (1).

Findings/Faits saillants :

1. The licensee has failed to ensure that there is a resident-staff communication and response system available in every area accessible by residents.

Observations revealed there is no call bell or resident-staff communication and response system in the library, the south lounge, the hair salon, the main dining room, the second dining room or the chapel.

The Administrator and Director of Care confirmed that there is no call bell or resident-staff communication and response system in the library, the south lounge, the hair salon, the main dining room, the second dining room or the chapel.

The Administrator and Director of Care confirmed that there should be a call bell system in every area accessible by residents and without one in place there is a safety risk for residents and staff. [s. 17. (1) (e)]

Additional Required Actions:

CO # - 001 will be served on the licensee. Refer to the "Order(s) of the Inspector".

(A2)The following order(s) have been amended:CO# 001

**WN #2: The Licensee has failed to comply with LTCHA, 2007, s. 6. Plan of care
Specifically failed to comply with the following:**

s. 6. (10) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when,

(a) a goal in the plan is met; 2007, c. 8, s. 6 (10).

(b) the resident's care needs change or care set out in the plan is no longer necessary; or 2007, c. 8, s. 6 (10).

(c) care set out in the plan has not been effective. 2007, c. 8, s. 6 (10).

Findings/Faits saillants :

1. The licensee has failed to ensure that the resident plan of care is reviewed and revised when the care set out in the plan is no longer necessary.

Review of the Plan of Care on November 14, 2014 revealed "staff are to ensure the resident's bed is placed up against wall to prevent the resident from exiting the bed on the side with the small exited/entrance as a safety-reminder for the resident to ask for assistance, and to be used to help with bed mobility."

Observation of Resident #6's bed on November 14, 2014 revealed that the resident's bed was positioned away from the wall.

Interview on November 14, 2014 with a Personal Support Worker (PSW) revealed that the PSW was aware that Resident #6 is at risk for falls and was aware that the resident's bed was not pushed against the wall as per the Plan of Care.

Interview on November 14, 2014 with a Registered Nurse (RN) revealed the plan of care was not revised to include that it is no longer necessary for the bed to be pushed up against the wall.

The Registered Nurse and the Director of Care confirmed that the care plan had not been revised when the resident's needs changed and the care in the plan was no longer necessary. [s. 6. (10) (b)]

WN #3: The Licensee has failed to comply with O.Reg 79/10, s. 8. Policies, etc., to be followed, and records

(b) is complied with. O. Reg. 79/10, s. 8 (1).

Findings/Faits saillants :

1. The licensee failed to ensure that the Monthly Weights policy is complied with.

Record review of the Monthly Weights policy revealed: "All residents are to be weighed monthly by the Health Care Staff on the first bath day of the month. All residents' weights are to be entered into pointclickcare.com by the 10th of the month by the Nurse Clerk".

Record review of weights in Point Click Care revealed no weights were recorded for:

Resident #21 - August 2014

Resident #25 - August 2014

Resident #42 - August 2014

Resident #46 - August 2014

Resident #44 - April and September 2014

Resident #45 - April and September 2014

Interview with the Director of Nursing on November 14, 2014 confirmed that the weights were not completed and that the Monthly Weights policy was not followed. [s. 8. (1) (b)]

WN #4: The Licensee has failed to comply with O.Reg 79/10, s. 131.
Administration of drugs

Specifically failed to comply with the following:

s. 131. (2) The licensee shall ensure that drugs are administered to residents in accordance with the directions for use specified by the prescriber. O. Reg. 79/10, s. 131 (2).

Findings/Faits saillants :

1. The licensee has failed to ensure that drugs are administered to residents in accordance with the directions for use specified by the prescriber.

Review of Resident #23's clinical record revealed the resident had a breakdown in skin integrity.

Interview with the Director of Care (DOC) on November 13, 2014 at 1015 revealed that Resident #23 was ordered a nutritional supplement on September 19, 2014.

Review of the resident's Electronic Medication Administration Record (EMAR) revealed the resident had not been receiving the nutritional supplement as ordered and the supplement was not entered into the resident's EMAR. This was confirmed by the DOC and the Registered Nurse.

Interview with the DOC confirmed the expectation that the Resource is administered to the resident in accordance with the directions for use specified by the prescriber. [s. 131. (2)]
