Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.
Plan of care**

Specifically failed to comply with the following:

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

1. The licensee failed to ensure that the care set out in the plan of care related to a care item was provided as per the plan of care.

Resident #001's plan of care indicated that the Resident was to get care by female staff only. A review of resident progress notes indicated that the resident received a care by a male staff member, one one occasion. The Resident indicated that they did not feel comfortable receiving showers from a male staff member. PSW #109 indicated that they were not aware of the requirement in the plan of care. As a result, the resident choices were not followed during this instance, and put the resident's dignity at risk.
