1. The licensee has failed to comply with LTCHA, 2007, s. 8 (3) whereby the home did not ensure at least one registered nurse who is both an employee of the licensee and a member of the regular nursing staff of the home is on duty and present in the home at all times.

Trillium Centre is a 186 bed long term care home. During a complaint inspection, the Human Resources Manager was interviewed and S102 was identified as working with a Temporary Class license. According to the College of Nurses of Ontario (CNO), a Temporary Class Membership is subject to defined terms, conditions and limitations which include the following:

- temporary members must be monitored and directed by a member in the General or Extended class,
- temporary members are not permitted to supervise, monitor or direct the practice of another member in any class. Therefore, it is not appropriate for a temporary member to be solely in-charge or act in a formal leadership role.

Registered staffing schedules were reviewed from May 30 to August 21, 2013. S102 was identified as working independently as the Charge nurse on the following dates/shifts:

July 3, 2013, 1730hr-1900hr

July 13, 2013 -0700hr-1500hr

July 14, 2013-0700hr-1500hr

July 17, 2013-0700hr-1500hr; Director of Nursing and Personal Care on-site

July 18, 2013- 0700hr-1500hr; Director of Nursing and Personal Care on-site

July 22, 2013-0700hr-1500hr

July 23, 2013- 0700hr-1500hr

August 9, 2013-0700hr-1500hr; Director of Nursing and Personal Care on-site

August 19, 2013-0700hr-1500hr

August 20, 2013-0700hr-1500hr

In accordance with Ontario Regulations 79/10 s. 213, a home with a licensed bed capacity of 65 beds or more shall ensure that the home's Director of Nursing and Personal Care (DONPC) works regularly in that position on site at least 35 hours per week. On July 17, 18 and August 9, 2013, the DONPC was identified as being on-site, however, cannot perform the duties of that role as well as the role of Charge Nurse simultaneously. Additionally, on June 11, 2013, the DONPC was the only RN on-site

from 0700-1500 hours.

In an interview with the Administrator, she advised the home has a staffing plan that addresses times when a RN shift needs to be filled. The Administrator stated overtime is offered first to the RN's working and when this fails, the home has a contract with a nursing agency. The RN's provided by this agency are consistently assigned to work in this home, are already orientated and are available for any shortages. In the identified shifts, the staffing plan was not implemented. The Administrator indicated the staffing plan will be put into effect immediately to ensure compliance. [s. 8. (3)]
