Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 19. Duty to protect

Specifically failed to comply with the following:

s. 19. (1) Every licensee of a long-term care home shall protect residents from abuse by anyone and shall ensure that residents are not neglected by the licensee or staff. 2007, c. 8, s. 19 (1).

Findings/Faits saillants :

1. The licensee failed to ensure that Resident #1 was protected from abuse.

- A review of the clinical health record indicated that upon admission to the home and to date Resident #1 demonstrates aggression towards staff due to a medical condition.

- Interviews with various staff members and personal support worker (PSW) #1 confirmed having knowledge of the resident's aggression and were aware of the current interventions to manage the behaviours.

- On a specified date, Detectives attended the home to inform the Director of Long Term Care Operations that they had reason to believe PSW #1 abused Resident #1.

- The Director of Long Term Care Operations informed the inspector that a video surveillance unknowingly was set up within Resident #1's room by his/her family which recorded an incident of staff to resident abuse. The inspector reviewed the video surveillance and observed that the care rendered by PSW #1 to Resident #1 constituted physical abuse

[s. 19. (1)].

2. The Director of Long Term Care Operations confirmed the parties observed on the video are Resident #1 and PSW #1.

Both the Director of Long Term Care Operations and a Police Detective confirmed that observations of video recording demonstrated abuse. The observations made by the inspector, Detective and Director of Long Term Care Operations were in unison.

- Section 96(e) under O.Reg 79/10 requires every licensee of a long term care home to ensure that the written policy to promote zero tolerance of abuse and neglect of residents identifies the training and retraining requirements for all staff, including training on the relationship between power imbalances between staff and residents and the potential for abuse and neglect by those in a position of trust, power and responsibility for resident care.

- The homes Abuse policy does not meet these requirements.

- PSW #1 was terminated from the home [s. 19. (1)].

Additional Required Actions:

CO # - 001 will be served on the licensee. Refer to the "Order(s) of the Inspector".

WN #2: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 20. Policy to promote zero tolerance

Specifically failed to comply with the following:

- s. 20. (2) At a minimum, the policy to promote zero tolerance of abuse and neglect of residents,**
- (a) shall provide that abuse and neglect are not to be tolerated; 2007, c. 8, s. 20 (2).**
 - (b) shall clearly set out what constitutes abuse and neglect; 2007, c. 8, s. 20 (2).**
 - (c) shall provide for a program, that complies with the regulations, for preventing abuse and neglect; 2007, c. 8, s. 20 (2).**
 - (d) shall contain an explanation of the duty under section 24 to make mandatory reports; 2007, c. 8, s. 20 (2).**
 - (e) shall contain procedures for investigating and responding to alleged, suspected or witnessed abuse and neglect of residents; 2007, c. 8, s. 20 (2).**
 - (f) shall set out the consequences for those who abuse or neglect residents; 2007, c. 8, s. 20 (2).**
 - (g) shall comply with any requirements respecting the matters provided for in clauses (a) through (f) that are provided for in the regulations; and 2007, c. 8, s. 20 (2).**
 - (h) shall deal with any additional matters as may be provided for in the regulations. 2007, c. 8, s. 20 (2).**
-

Findings/Faits saillants :

1. The licensee failed to ensure that the policy to promote zero tolerance of abuse and neglect of residents contains an explanation of the duty under section 24 of the Act to make mandatory reports.

- The licensee's Abuse policy states under role of management "to submit an unusual occurrence report to the Ministry of Health and Long Term Care within 10 working days of the occurrence or sooner in response to requests by the Regional office". The policy does not address the requirement to make mandatory reports under section 24 [s. 20. (2)].
