The purpose of this inspection was to conduct a Follow up inspection.

This inspection was conducted on the following date(s): May 16, 2019

An inspection (#2018-539120-0018) was previously conducted in April 2018, related to resident assessments where bed rails were used or applied. The inspection resulted in the issuance of a compliance order (CO) with a compliance due date of August 2018. During a follow up inspection (2018-539120-0047) in October 2018, not all of the requirements in the CO were met and another CO was issued with a compliance due date of March 2019. For this follow up inspection, the CO was complied with.

During the course of the inspection, the inspector(s) spoke with the Administrator, Director of Care and Clinical Director of Care.

During the course of the inspection, the inspector toured the home and observed resident bed systems, reviewed resident clinical records, policies and procedures and staff training participation records related to bed safety.

**The following Inspection Protocols were used during this inspection:
