WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 131. Administration of drugs

Specifically failed to comply with the following:

s. 131. (2) The licensee shall ensure that drugs are administered to residents in accordance with the directions for use specified by the prescriber. O. Reg. 79/10, s. 131 (2).

Findings/Faits saillants :

1. The licensee has failed to ensure that drugs were administered to residents in accordance with the directions for use specified by the prescriber.

This inspection was completed related to a complaint received to the Ministry of Health and Long-Term Care (MOHLTC) from an anonymous complainant regarding storage or controlled substances in the home.

Review of a medication incident involving an identified resident showed that a Registered Practical Nurse (RPN) failed to administer a regular scheduled medication, for pain management. The medication incident was discovered during shift change when completing the controlled substance count. The drug omission resulted in the medication not being given as prescribed.

The resident's pain assessment rate was completed on the next shift and the regular dose scheduled dose the same medication was given as prescribed.

The Administrator stated that the resident's medication should have been administered as prescribed, and had not.

The licensee has failed ensure that drugs are administered to residents in accordance with the directions for use specified by the prescriber. [s. 131. (2)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that drugs are administered to residents in accordance with the directions for use specified by the prescriber., to be implemented voluntarily.
