**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 53. Responsive behaviours**

**Specifically failed to comply with the following:**

**s. 53. (4) The licensee shall ensure that, for each resident demonstrating responsive behaviours,**

**(a) the behavioural triggers for the resident are identified, where possible; O. Reg. 79/10, s. 53 (4).**

**(b) strategies are developed and implemented to respond to these behaviours, where possible; and O. Reg. 79/10, s. 53 (4).**

**(c) actions are taken to respond to the needs of the resident, including assessments, reassessments and interventions and that the resident's responses to interventions are documented. O. Reg. 79/10, s. 53 (4).**

---

**Findings/Faits saillants :**

1. The licensee failed to develop and implement strategies for Resident #1 to respond to the responsive behaviours that were exhibited.

Resident #1 was involved in an incident of physical aggression towards a co-resident.

Review of Resident #1's clinical health records indicated that Resident #1 was exhibiting responsive behaviours at time of admission.

A review of progress notes from November 2013 and December 2013 showed that Resident #1 exhibited 12 episodes of responsive behaviours that required staff intervention.

At time of incident there were no identified behavioural triggers or interventions in the care plan to address Resident #1's responsive behaviours.

The care plan in effect for Resident #1 at the time of the episodes of responsive behaviours was reviewed and there was no identified behavioural triggers or interventions in place to address Resident #1's responsive behaviours. The plan of care was not updated until January 7, 2014. [s. 53. (4) (b)]
