The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 36. Every licensee of a long-term care home shall ensure that staff use safe transferring and positioning devices or techniques when assisting residents. O. Reg. 79/10, s. 36.

Findings/Faits saillants :

1. The licensee failed to ensure that staff uses safe transferring and positioning devices or techniques when assisting residents.

Review of resident #101's plan of care and interview with the registered staff indicated that the resident required two person extensive assistance for transferring on and off the toilet. However, interview with the registered staff and review of the home's internal investigation notes indicated that on an identified date in December 2013 only one psw transferred the resident on and off the toilet.

The resident subsequently slipped and fell in the bathroom while being transferred to the toilet and was sent to hospital the following day. The psw involved in the incident failed to report the incident of the fall to the registered staff. The resident sustained an injury due to the fall which required surgery.

The psw involved in the incident was terminated after the home's internal investigation was completed. [s. 36.]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that staff use safe transferring and positioning devices or techniques when assisting residents, to be implemented voluntarily.
