WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 104. Licensees who report investigations under s. 23 (2) of Act

Specifically failed to comply with the following:

s. 104. (1) In making a report to the Director under subsection 23 (2) of the Act, the licensee shall include the following material in writing with respect to the alleged, suspected or witnessed incident of abuse of a resident by anyone or neglect of a resident by the licensee or staff that led to the report:

2. A description of the individuals involved in the incident, including,

- i. names of all residents involved in the incident,**
- ii. names of any staff members or other persons who were present at or discovered the incident, and**
- iii. names of staff members who responded or are responding to the incident. O. Reg. 79/10, s. 104 (1).**

Findings/Faits saillants :

1. The following finding is related to log 029615-17:

The licensee has failed to comply with O. Reg. 79/10, s. 104(1)2ii. in that a report made to the Director under subsection 23(2) of the Act, did not include the names of all staff members present at the incident.

The home submitted a Critical Incident Report alleging staff to resident abuse on a specified date. The home later amended the report with the outcome of the abuse investigation.

Upon review of the Critical Incident by Inspector #197, it was noted that the accused staff member was not named on the report.

Inspector #197 called the home to inquire about the alleged abuse and at this time the Administrator disclosed the name of the accused staff member.

A description of the individuals involved in the incident, including the names of all staff members present, was not included in the report as required. [s. 104. (1) 2.]
