1. The licensee failed to ensure that each resident is bathed, at a minimum, twice a week by the method of his or her choice.

On admission to the home on May 14, 2012, resident #6 Power of Attorney (POA) informed the charge nurse that the resident does not like to have a shower as the water scares him/her and the resident's bathing preference is to have a bath. On the evening of admission of May 14, 2012, the staff attempted x 3 to provide a shower to which resident refused.

Documentation records and staff interviews confirms that resident receives only showers. Documentation and staff interviews also confirms that during shower care resident exhibits extreme behaviours.
