**WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 8. Policies, etc., to be followed, and records**

**Specifically failed to comply with the following:**

- s. 8. (1) Where the Act or this Regulation requires the licensee of a long-term care home to have, institute or otherwise put in place any plan, policy, protocol, procedure, strategy or system, the licensee is required to ensure that the plan, policy, protocol, procedure, strategy or system,**
- (a) is in compliance with and is implemented in accordance with applicable requirements under the Act; and O. Reg. 79/10, s. 8 (1).**
- (b) is complied with. O. Reg. 79/10, s. 8 (1).**
- 

**Findings/Faits saillants :**

1. The licensee has failed to ensure that the home's policy, titled, Occupational Therapy, RCA-LTCE-F-11, dated September 2013 is complied with.

A review of the clinical records for resident #001 indicated that on an identified date a referral was sent by a physiotherapist requesting that the resident be assessed by an occupational therapist. The notes indicated that the resident had increased episodes of sleeping while in his/her wheelchair, thereby, increasing his/her risk of falling.

The home's occupational therapy policy, directs the occupational therapist to connect with residents/families/POA's in advance of the occupational therapy assessment for consent of the assessment. The occupational therapy notes for an identified date, indicated that the resident received an occupational therapy assessment, however, consent was received from the resident deemed incapable. An interview with the POA indicated that he/she had not been notified that a referral for an occupational therapy assessment had been requested, nor had consent been provided for the assessment.
