**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 5. Every licensee of a long-term care home shall ensure that the home is a safe and secure environment for its residents. 2007, c. 8, s. 5.**

**Findings/Faits saillants :**

1. The licensee has failed to ensure that the home is a safe and secure environment for its residents.

The testing data report submitted to the Ministry if Long Term Care (MLTC) indicated that one staff member missed a scheduled swabbing clinic, entered the home and passed through the screening process. In an interview with Acting DOC #100, they confirmed that the staff member did not have a required test completed and worked in the home on an established date.

By failing to ensure the staff member was tested for COVID-19 prior to entering the home, there was a risk of transmission of the COVID-19 virus in the home.
