**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.
Plan of care**

Specifically failed to comply with the following:

s. 6. (11) When a resident is reassessed and the plan of care reviewed and revised,

(a) subsections (4) and (5) apply, with necessary modifications, with respect to the reassessment and revision; and 2007, c. 8, s. 6 (11).

(b) if the plan of care is being revised because care set out in the plan has not been effective, the licensee shall ensure that different approaches are considered in the revision of the plan of care. 2007, c. 8, s. 6 (11).

Findings/Faits saillants :

1. The licensee has failed to ensure that when a resident was reassessed and the plan of care reviewed and revised, (b) because care set out in the plan had not been effective, different approaches were not considered in the revision of the plan of care. A) The health record of a resident indicated that the resident, for a period of two months, had occasional discomfort which was relieved by a specific treatment. On the third month, the health record indicated that the resident had more severe discomfort and the treatment had no longer been effective. No other approaches were used to alleviate the resident's discomfort. The plan of care was not revised to reflect a consideration of different approaches to the unresolved problem. This information was confirmed by the health record, registered staff and a family member. [s. 6. (11) (b)]

Additional Required Actions:

**VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)
the licensee is hereby requested to prepare a written plan of correction for
achieving compliance to ensure that when a resident is reassessed and the plan
of care reviewed and revised, (b) because care set out in the plan has not been
effective, different approaches are considered in the revision of the plan of care,
to be implemented voluntarily.**
