**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.  
Plan of care**

**Specifically failed to comply with the following:**

**s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,**  
**(a) the planned care for the resident; 2007, c. 8, s. 6 (1).**  
**(b) the goals the care is intended to achieve; and 2007, c. 8, s. 6 (1).**  
**(c) clear directions to staff and others who provide direct care to the resident.**  
**2007, c. 8, s. 6 (1).**

---

**Findings/Faits saillants :**

1. The licensee did not ensure that there is a written plan of care for each resident that sets out clear directions to staff and others who provide direct care to the resident.
  - a) The quarterly assessment for one resident identifies the resident requires assistance of one person for transfers.
  - b) The fall assessment identifies the same resident requires extensive assistance of two staff for transfers.
  - c) The current written plan of care for the resident identifies the resident requires limited assistance for transfers and at times during the day, will transfer independently.
  - d) The written plan of care does not include the number of staff required to provide limited assistance for transfers.
  - e) Three staff confirmed the resident can transfer independently from her walker when the brakes are applied and requires assistance of one staff to transfer from her wheelchair or bed. [s. 6. (1) (c)]
