WRITTEN NOTIFICATION: Plan of care

NC #001 Written Notification pursuant to FLTCA, 2021, s. 154 (1) 1.

Non-compliance with: O. Reg. 246/22, s. 29 (3) 13.

Plan of care

s. 29 (3) A plan of care must be based on, at a minimum, interdisciplinary assessment of the following with respect to the resident:

13. Nutritional status, including height, weight and any risks relating to nutritional care.

A resident was admitted to the home and a nutritional risk assessment and a nutrition assessment were not completed. Their weight showed a significant weight loss with no re-weigh completed to verify if the weight loss was accurate and nutritional assessment related to the documented weight loss was not completed. The resident's plan of care was not based on an assessment of nutritional status, including weight or any risks relating to nutritional care.
