Dear Dr. Rhonda Crocker Ellacott:

**Re: Lifting of the Suspension of Admissions to Rainycrest**

On February 15, 2018, pursuant to section 50 of the Long-Term Homes Act, 2007 (LTCHA), I directed the North West LHIN, the Placement Coordinator for Rainycrest to cease authorizing admissions to Rainycrest. Based on results of a recent inspection, admissions at Rainycrest can resume effective March 11, 2019.

I would ask that your staff work with the team at Rainycrest to develop and implement a gradual and mutually satisfactory plan to resume admissions to safely meet the needs of all residents. In developing the plan, the following conditions will apply:

- New admissions of residents is only to occur from Monday to Friday
- No more than four residents are to be admitted per week
- Weekly calls with the home's Management Team, a North West LHIN representative, and the LTCIB will be maintained

If you have any questions, please contact Wendy Lewis, Senior Manager, at (705) 564-9788.

Sincerely,

Stacey Colameco  
Director under the *Long-Term Care Homes Act, 2007*
