Dear Mr. Jeremy Stevenson:

**Re: Lifting of the Suspension of Admissions to Extendicare Maple View of Sault Ste. Marie**

On October 30, 2018, pursuant to section 50 of the Long-Term Homes Act, 2007 (L TCHA), I directed the North East Local Health Integration Network, the Placement Coordinator for Extendicare Maple View of Sault Ste. Marie to cease authorizing admissions to Extendicare Maple View of Sault Ste. Marie. Based on results of a recent inspection, admissions at Extendicare Maple View of Sault Ste. Marie can now resume effective immediately.

I would ask that your staff work with the team at Extendicare Maple View of Sault Ste. Marie to develop and implement a gradual and mutually satisfactory plan to resume admissions to safely meet the needs of all residents. In developing the plan the following conditions will apply until the home reaches census capacity or the Director has deemed an amendment is to occur:

- New admissions of residents is only to occur from Monday to Friday
- No more than one resident is to be admitted per day
- Weekly calls with the home's Management Team, a North East LHIN representative, and the LTCIB will be maintained

If you have any questions, please contact Wendy Lewis, Senior Manager, at (705) 564-9788

Sincerely,

Stacey Colameco  
Director under the *Long-Term Care Homes Act, 2007*
