**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.
Plan of care**

Specifically failed to comply with the following:

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

1. The licensee has failed to ensure that the care provided to a resident is as specified in the plan.

The written plan of care for an identified resident indicated that the resident was to have specific interventions completed to ensure the resident remains safe at all times.

The PSW Job Routine also indicates specific interventions to be completed as a safety check for residents.

Clinical record review for the identified resident revealed that the specific interventions to ensure resident safety had not been completed. The Acting Director of Care verified that the required safety interventions were not completed as required.

The Nursing Consultant and the Acting Director of Care confirmed that it is the expectation that care will be provided as specified in the plan of care. [s. 6. (7)]

Additional Required Actions:

***VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2)
the licensee is hereby requested to prepare a written plan of correction for
achieving compliance to ensure that the care set out in the plan of care is
provided to the resident as specified in the plan, to be implemented voluntarily.***
