**WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6.  
Plan of care**

**Specifically failed to comply with the following:**

- s. 6. (10) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when,**  
**(a) a goal in the plan is met; 2007, c. 8, s. 6 (10).**  
**(b) the resident's care needs change or care set out in the plan is no longer necessary; or 2007, c. 8, s. 6 (10).**  
**(c) care set out in the plan has not been effective. 2007, c. 8, s. 6 (10).**

**Findings/Faits saillants :**

1. The licensee has failed to ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when the resident's care needs change, as evidenced by:

At the time of admission a resident was fully mobile. After sustaining a fall a resident's health deteriorated.

The plan of care for the resident was not revised despite reassessments showing the care needs had changed significantly.

An interview with the Administrator confirmed the plan of care had not been revised since the resident's care needs had changed and it is the expectation that the plan of care is revised when the residents care needs change. [s. 6. (10) (b)]
