Inspection Summary/Résumé de l'inspection

The purpose of this inspection was to conduct a Complaint inspection.

This inspection was conducted on the following date(s): November 3, 5, 6, 7, 10, December 2,2014.

During the course of the inspection, the inspector(s) spoke with complainant, personal care aides(PCA), registered staff (RN/RPN), nurse manager (NM), acting director of nursing (DON).

The following Inspection Protocols were used during this inspection:
Critical Incident Response
Falls Prevention

During the course of this inspection, Non-Compliances were issued.

- **2 WN(s)**
- **2 VPC(s)**
- **0 CO(s)**
- **0 DR(s)**
- **0 WAO(s)**

NON-COMPLIANCE / NON - RESPECT DES EXIGENCES	
Legend WN – Written Notification VPC – Voluntary Plan of Correction DR – Director Referral CO – Compliance Order WAO – Work and Activity Order	Legendé WN – Avis écrit VPC – Plan de redressement volontaire DR – Aiguillage au directeur CO – Ordre de conformité WAO – Ordres : travaux et activités
Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (a requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA). The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD. Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 36. Every licensee of a long-term care home shall ensure that staff use safe transferring and positioning devices or techniques when assisting residents. O. Reg. 79/10, s. 36.

Findings/Faits saillants :

1. The licensee has failed to ensure that staff use safe transferring and positioning devices or techniques when assisting residents.
A review of the home's investigation notes related to resident #001's fall on September 21, 2014,revealed that an identified PCA and a registered staff did not use safe transferring techniques as they failed to ensure that the mechanical lift was clear from the bed before completing the transfer into a geri-chair.
Interviews conducted with an identified PCA and a registered staff reveal that safe transferring techniques were not used when using the mechanical lift.
An interview with the DON confirmed that the above mentioned staff did not use safe transferring techniques with resident #001 when using a mechanical lift. As a result, resident #001 was transferred to hospital after sustaining an injury to the occipital area of the head that required staples. [s. 36.]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure staff are provided with education related to using safe transferring and positioning techniques when assisting residents, to be implemented voluntarily.

WN #2: The Licensee has failed to comply with O.Reg 79/10, s. 107. Reports re critical incidents

Specifically failed to comply with the following:

s. 107. (3.1) Where an incident occurs that causes an injury to a resident for which the resident is taken to a hospital, but the licensee is unable to determine within one business day whether the injury has resulted in a significant change in the resident's health condition, the licensee shall,
(a) contact the hospital within three calendar days after the occurrence of the incident to determine whether the injury has resulted in a significant change in the resident's health condition; and
(b) where the licensee determines that the injury has resulted in a significant change in the resident's health condition or remains unsure whether the injury has resulted in a significant change in the resident's health condition, inform the Director of the incident no later than three business days after the occurrence of the incident, and follow with the report required under subsection (4).

Findings/Faits saillants :

1. The licensee has failed to ensure that when an injury has resulted in a significant change in the resident's health condition, that the licensee informs the Director of the incident no later than three business days after the occurrence of the incident.
A review of the critical incident #M504-000052-14, for resident #001 indicates a significant injury occurred after a fall on September 21, 2014, and the Director was first notified of this incident on September 25, 2014, four days after the initial incident occurred and after the home became aware of the above mentioned injury sustained by resident #001.
An interview with the DON confirmed that the home failed to report the critical incident to the Director within the required reporting time. [s. 107. (3.1)]

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure critical incidents are reported within reporting time lines as outlined in the LTCH Act and Regulations 79/10 when a significant injury occurs, to be implemented voluntarily.
